

Nguyen Thanh Y

Intern back-end web developer

Ngày sinh: 02/10/2001

Giới tính: Nam

Điện thoại: 0329263644

Email: thanh123zzz@gmail.com

Địa chỉ: 45 Nguyen Trong Loi, ward 4, Tan Binh district, HCM city

Website: <https://github.com/thanh123zzz>

CAREER OBJECTIVE

I am a person with a good background in back-end web programming with Java and C# languages, along with logical thinking and good ability to absorb new knowledge. Therefore, I want to improve my professional qualifications and career capacity through the company's professional working environment after a few months of internship. And then have the opportunity to become an official employee of the company and actively contribute to the development of the company in the future.
